

## 2017 SEAOC YMF CONVENTION STIPEND APPLICATION

2017 SEAOC Convention, San Diego, CA – September 13-15, 2017

The SEAOC Board and Convention Committee are pleased to announce the 2017 SEAOC YMF Convention Stipend program to encourage SEAOC younger members to attend the annual SEAOC Convention.

SEAOC will award a \$750 stipend to one younger member from each SEAOC Member Organization (region) to attend the 2017 SEAOC Convention on September 13-15, 2017, in San Diego, CA. Any current SEAOC member 35 years old or younger is eligible.

**To apply, simply complete the attached application and return it to SEAOC Executive Director Don Schinske via email ([dschinske@seaoc.org](mailto:dschinske@seaoc.org)) by July 7, 2017.** Selected recipients will be notified by the week of July 17, 2017. Recipients of the stipend will be allowed to request reimbursement of up to \$750 for costs to attend the 2017 SEAOC Convention, specifically for registration, lodging, and transportation (air and ground).

This program is separate from the Nabih Youssef Younger Engineer Poster Session Grant program and other stipend programs that may be available. SEAOC younger members are encouraged to apply through multiple programs, however awardees will be limited to one award or stipend.

The 2017 SEAOC Convention has diligently planned a variety of activities targeting the interests and participation of younger members, including:

- “Young Member Brewery Tour” on Wednesday evening,
- “Younger Member Roundtable” on Friday morning.
